## Summary

As an experienced interior designer with nearly 10 years of working experience in commercial and residential projects. Throughout my career, I have developed a deep passion for creating functional spaces that enhance the lives of individuals and businesses. Passionate about continuous learning and professional growth, currently expanding skills in programming and new design technologies.

Key Skills	Construction Detailing	Problem Solving	Space Planing	Material Selecting
	Project Management	FF & E	3D Visualization	Concept Presentation

## Experience

### Pro One design & construction Ltd. (Oct/2018 - May/2024)

As 3D Renderer and Shop drawing

- Analyzed client needs and preferences to determine project goals, objectives, and design solutions, ensuring tailored approaches that align with their vision.
- Led the complete drawing process, from technical drawings and renderings to modifications and final layouts, successfully completing numerous projects.
- Collaborated closely with the project leader to ensure smooth delivery of spaces on time and within budget, enhancing overall project efficiency.
- Key Projects:

dyson, Panasonic, BRAUN, NIKON, Philips, Tefal and more

### Caveman Studio Ltd. (Oct/2018 - Aug/2022)

As Interior Designer and Site Management

- Completed a variety of residential and commercial projects, working closely with team members to deliver high-quality results.
- Coordinated with clients, consultants, and contractors to make sure projects were completed on time and ran smoothly.
- Managed project timelines to ensure they were finished on schedule and within budget.
- Improved communication between all parties involved, leading to better client satisfaction and smoother project management.

### Seto Design & Construction (Apr/2017 - Sep/2018)

As 3D Renderer and Shop drawing

- Collaborated closely with the brand marketing team and other stakeholders to transform creative ideas into fully realised visual executions, ensuring design alignment with brand strategies across multiple commercial projects.
- Contributed to the preparation of comprehensive construction documents, including detailed plans, elevations, sections, and specifications, supporting the successful delivery.

### Well Design Constrution Ltd. (Oct/2013 - Mar/2017)

As Assistant Interior Designer

- Led the preparation and delivery of interior design presentations and full sets of construction drawings, ensuring clarity and accuracy.
- Managed the sourcing of design materials and accessories, consistently delivering high-quality selections within budget.
- Conducted regular site visits to monitor progress, ensuring that the design was implemented according to specifications, and reported updates to the Project Manager. This proactive approach helped resolve on-site issues swiftly.
